

2026-2027 Hometown Heroes Banner Program

Application Deadline: **April 20, 2026**

*Banner submissions after this deadline are not guaranteed.

The Banner Program is developed to show our community support for those that give and gave all. The program is intended to recognize and show appreciation for the military, first responders, and veteran personnel and their families with ties to the Clinton area. Banners will display a photo of the service person, in uniform, as well as their name, military branch (or field of recognition), and a third text line that could include years of service or sponsor.

Cost of a banner will be \$250 for 2-year commitment and will be displayed throughout Clinton between Memorial Day and Veterans Day. The banner will be yours to keep at the conclusion of the 2 years or you can choose to extend a banner for an additional \$50 per year as long as the banner is still in great condition.
